Spring 2025

BugBuster® is pleased to continue to offer a preventative barrier application to the exterior of your home. This exterior barrier reduction application is applied with a power spray rig to the outside of your home and foundation. **We suggest scheduling your window washing after our application is complete.

Targeted insects include **Bald-Faced Hornets, European Hornets, Yellow Jackets and Paper Wasps**. (This application should not be considered a standalone Carpenter Bee treatment. Additional fees apply to treat and fill Carpenter Bee holes).

We will begin the exterior barrier reduction applications on or around **April 7th, 2025**, weather permitting. Our follow-up services continue for your home through **September 12th, 2025**. **Pre-Registration** for this program is **\$165** if payment is received **before March 31st**. Registration **after April 1st** is **\$190**.

- * **A 3.5% processing fee will be added to all credit card payments**
- * Add \$30 per item for playsets, gazebos, hot tubs, above-ground pools, sheds, barns & fences
- * A nest located in the ground/bush/shrub/tree will require an additional fee to remove the hive.
